Commercial use

Affects companies and business license holders!

Price per second for commercial video- and film-productions (worldwide use): 0,50 Euro (excl. VAT).

You must tell the company "PB TV-Produktionen" about the songs you used and the total length on the link "Contact".

Incidental rights for public performances have to be reported separately to "Austro Mechana" (+43(0)50717) / e-mail: office@aume.at).

Calculation example for commercial use

You want to sell your video production (for example: a wedding video) with an edition of 100 pieces. Furthermore, you have exactly used a minute of music material from the cd-collection "SOUNDTRACKS" for your production.

The costs, that you have to pay to "PB TV-Produktionen" would be exactly 30 Euro, VAT excluded (0,50 Euro per second). These costs are up to an edition of 2.500 pieces. After that, you have to pay 30 Euros, VAT excluded for the next 2.500 pieces and so on.

These are the costs, you have to pay to the Austro Mechana for an edition of 100 DVDs by using exactly one minute of music material of the cd "WONDERFUL NEW WORLD":

Changes are always possible!

For each started minute on each dvd you have to pay 0,025 Euro. This would be 2,50 Euro for this production (0,025 Euro x 100).
